

Pendant 45

Illuminate your space from above with the Pendant 45. The modern pendant is made with mild steel and has a matte white powder-coat finish. The pendant seamlessly integrates into your space with its white cable and single ceiling rose. Comes fitted with a soft white, 1055-lumen LED bulb to create a soft, natural light source. The lighting range also features a ceiling rose that accommodates three pendants to create a modern chandelier (sold separately).
